Neck Shaping

The following short rows are knit using the German Short Row method. You will begin with the left side of your top, starting with the 45(48, 50, 53, 55, 58) sts between BOR and middle-front markers.

Left Front

Row 1 (RS): Sl1, work in established **(k1, p1)** pattern until 2 sts before middle-front marker. Turn to work WS.
